SHARES AFTER SCHEME OF ARRANGEMENT

The Scheme of Arrangement between Kirloskar Brothers Limited (KBL), Kirloskar Brothers Investments Limited (KBIL) and their respective shareholders had been duly approved by the Hon'ble High Court of Judicature at Bombay on January 22, 2010. The Appointed Date for the scheme was April 16, 2009 and the Effective Date as per the scheme was March 2, 2010.

In accordance with the Scheme, the shareholders of KBL holding say 20 (Twenty) equity shares of Rs. 2/- each as on the Record Date, were entitled to receive 15 (Fifteen) new equity shares of Rs. 2/- each of KBL after reduction of capital and 1 (One) equity share of Rs. 10/- of KBIL.

Shareholders holding share certificate/s for their KBL shares, desiring to continue to hold KBL new equity shares and KBIL equity shares in the physical form, were issued new share certificates in lieu of the original KBL share certificate/s.

The KBL and KBIL new share certificates for such equity shares, in the above mentioned ratio, under the Scheme were directly dispatched to the concerned shareholder/s by M/s. Link Intime India Private Limited (erstwhile Registrar and Transfer Agent). In case on non receipt of such certificates, shareholders will have to comply with procedure for issue of duplicate share certificates.

Shareholders are advised that they should deface the old share certificates in order to safeguard their interests against any misuse; as such certificates would be null and void and cannot be dealt with in the market.

FREQUENTLY ASKED QUESTIONS (FAQs)

DELETION OF NAME FROM JOINT HOLDING AND CONVERSION OF SINGLE NAME INTO JOINT HOLDING

▪ How to delete one name from the joint holders?

In case the shares are held in Joint names and one of the shareholder/s expires, please send the following documents:

1. Notarised copy of the Death certificate. If the death certificate is in any other language other than English, a translated copy duly attested by Gazetted Officer or Notary Public.
2. Original Share Certificate.
3. Self attested copy of PAN Card of surviving holder/s.
4. Self attested copy of Utility Bill such as telephone bill, electricity bill etc.(not older than 3 months) of the surviving holder/s.

Based on the supporting documents, the company shall delete the name of the deceased shareholder/s from the records and make endorsement on the share certificate showing the remaining shareholder as the only holder.

▪ How to convert single holding into joint holding?

To convert single holding into joint holding, such requests even within the family amounts to transfer as these lead to a change in the ownership pattern. As per Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 and vide Notification dated November 30, 2018, requests for effecting transfer of shares shall not be processed unless the shares are held in the dematerialized form with a depository w.e.f. April 01, 2019. You are requested to contact your depository participant (DP) with whom your demat account is maintained to know the procedure for transferring the shares.

CONSOLIDATION OF FOLIOS

▪ What is meant by Consolidation?

- i. The consolidation of Folios would avoid multiple communication including dividend warrants from the company to you and shall thus reduce the risk of loss/ fraudulent interception of share certificates/ dividend warrants/ other documents during postal transit.
- ii. The request for consolidation of folios should be signed by all the holders as per the specimen signature registered with the Company.
- iii. If you have more than one folio in the same name or with identical names in the same order, in case of joint holdings, then please intimate us immediately along with relevant share certificates to help us to consolidate such holdings in a single folio.

TRANSPOSITION OF NAMES

▪ What is meant by transposition of names?

Transposition of shares refers to change in the order of names of registered holders. Such requests do not attract any stamp duty.

These requests have to be signed by all the joint holders in respect of the entire holding and should submit the original share certificate(s) to us.

DEMATERIALISATION

▪ What is meant by Depository System ?

The depository concept is similar to the Banking system with the exception that banks handle funds whereas a depository handles securities of the investors. A depository can therefore be conceived of as a “Bank” for securities.

An investor wishing to utilize the services offered by a depository, has to open an account with the depository through the Depository Participant. This is very similar to opening an account with a bank in order to utilize the banking services.

The depository system evolved by the National Securities Depositories Limited (NSDL) and Central Depository Services (India) Limited (CDSL) enables investors to overcome all problems related to handling physical certificates. NSDL and CDSL are organizations formed to provide electronic depository facilities for securities traded. The securities of investors are held in electronic form through the medium of Depository Participants.

▪ What is a Depository?

A depository is an organization where the securities of a shareholder are held in the electronic form at the request of the shareholder through the medium of a depository participant. Depositories will perform the following functions through its various participants.

- a) enable surrender and withdrawal of securities to and from the depository (i.e. dematerialization and re-materialization)
- b) maintain investor holdings in the electronic form
- c) effect settlement of securities trade on the exchanges
- d) carry out settlement of trades not done on the stock exchanges (i.e. off-market trades)

What is meant by Dematerialisation / Re-materialisation?

“**Dematerialisation**” is a process by which the physical certificates of an investor are taken back by the Company/Registrar and actually destroyed and an equivalent number of securities are credited in the electronic holdings of that investor.

“**Rematerialisation**” is the term used for converting electronic holdings back into certificates.

This is done only at the request of the investor.

An investor will have to first open an account with a depository participant and then request for the dematerialisation of his certificates through the depository participant so that the dematerialised holdings can be credited into that account. Re-materialisation is exactly the reverse process of dematerialisation

Who is a depository Participant (DP)?

Similar to the brokers who trade on your behalf in and outside the stock exchanges, a depository participant is a representative (agent) in the depository system. Depository participant will maintain securities account balances and intimate the holder the status of holdings from time to time. According to SEBI guidelines, financial institutions, banks, custodians, stock brokers, etc. can become participants in the depository. Investor will have to obtain statements for his account for securities transactions from DP from time to time.

▪ **What are the benefits of depositing securities in NSDL / CDSL ?**

Benefits of converting securities in the electronic form are :

- Reduction of risks associated with loss, mutilation, theft and forgery etc.
- The paper work required will be reduced to a minimum, while dealing with securities.
- Greater liquidity, faster settlement and completion of transaction.
- Enhances the acceptability in securities market.
- Reduction in transaction cost through greater efficiency.
- Faster receipt of corporate benefits/rights attached to the security.
- Thus, investor will increasingly find it easy to deal in the shares.

▪ **How to open an account with a depository participant?**

The process of opening an account with a depository participant is similar to the opening of a bank account. A list of depository participants can be obtained from NSDL / CDSL. The depository participants may also advertise the services offered by them once they are registered. Investor will have to approach any depository participant of his choice and fill up an account opening form.

▪ **Whether securities allotted to Investor in public issue can directly be obtained in the electronic form?**

In the public issue application form there will be a provision for an investor to indicate the manner in which he wants the securities allotted. However, investor will have to mention his client account number and the name of the depository participant. This will enable the issuer company to credit the securities allotted directly to such investor's demat account.

▪ **How an investor will get the corporate benefits arising out of his holdings, like a bonus / rights or a dividend?**

On declaration of any corporate benefit viz. rights or bonus or dividend for a particular security, the depository will give all the details of the clients having electronic holdings of that security as of record date/book closure to the registrar.

The registrar will then calculate the corporate benefits due to all the shareholders. The disbursement of cash benefits such as dividend/interest will be done by the registrar whereas the distribution of securities entitlements will be done by the depository based on the information provided by the registrar.

In case of discrepancies in corporate benefits, investor can approach respective depository participant who in turn will contact the registrar for clarifications regarding allotment of securities or otherwise.
