## Reliable Pumping Solutions for Navi Mumbai's Drinking Water Infrastructure

Kirloskar Brothers Limited (KBL) has played a vital role in strengthening Navi Mumbai's drinking water infrastructure by supplying Vertical Turbine (VT) pumps to the Vashi Drinking Water Pump House for Navi Mumbai Municipal Corporation.

Designed for reliability and efficient performance, these pumps will help ensure a consistent and dependable water supply to residents in and around Vashi. The project reflects KBL's support to urban water management initiatives through robust engineering solutions tailored to municipal requirements.
